WHY IT MATTERS EVERYONE?

For several years now, Ukrainians have been living in the new ecclesiastical and religious realities caused by the formation of the Orthodox Church of Ukraine. But how exactly did autocephaly affect the views of every Ukrainian?

Heeey!

Even me!?!?

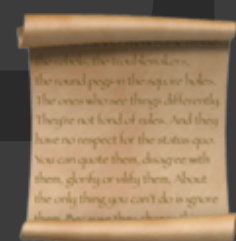

Autocephaly

The status of the local church as a self-governing, independent part of the Ecumenical Orthodox Church

Tomos

Decree or message of the head of the local Orthodox Church on some important issues of the church system.

The main churches of Ukraine

Before Tomos

Controlled by Rome

UGCC **1596**

Ukrainian Greek Catholic Church

Controlled by Moscow

ROC **1991**
inU

**BUT HOW DID
TOMOS AFFECT
THE POSITION
OF UKRAINIANS?**

WEST

CENTER

EAST

In my own study took into account:

- regional aspect
- sex
- confessional aspect
- age

Question 1.

How many % of respondents consider receiving Tomos a positive event?

Regional sample

West	Center	East	μ
------	--------	------	-------

81%	65%	35%	60%
-----	-----	-----	-----

Confessional sample

UGCC	OCU	ROC	μ
------	-----	-----	-------

83%	76%	12%	57%
-----	-----	-----	-----

55% respondents believe that
Tomos is the merit of Petro
Poroshenko

45% people identify themselves
as adherents of the
Orthodox Church of
Ukraine

**But why did only 16%
vote for Poroshenko
in the first round?**

question 2.

If there were 10 people living in each region ...

East

Center

West

 ROCinUA

 OCU

 UGCC

 Atheists

Question 3.

How religious are Ukrainians?

	West	Center	East	μ
What% of respondents believe in God and identify themselves with a particular denomination?	85%	59%	40%	61%
What % of respondents go to church regularly?	55%	11%	7%	25%
How many % of respondents know the "Symbol of Faith" prayer?	80%	26%	17%	41%
How many% of respondents celebrate all the Great Christian Holidays?	85%	50%	40%	60%
What% of respondents observe Lent?	82%	40%	25%	50%

Question 4.

**What should be
the relationship
between the
state, society
and the Church?**

	West	Center	East	μ
What % of respondents believe that Ukrainian legislation should be based on Christian norms?	68%	47%	19%	45%
How many % of respondents believe that the state should hand over the Kyiv-Pechersk Lavra to the OCU?	70%	55%	29%	51%
How many % of respondents believe that religious subjects should be taught in schools?	90%	70%	41%	67%

Question 5.

**respondents supported
the idea of uniting the
OCU and the UGCC into
a single Ukrainian
Christian Church**

Conclusions

As a result of our own research, we ascertained ...

1

The PCU is the largest church in Ukraine in terms of the number of parishioners

3

The level of religiosity and secularism of citizens is average in Ukraine as a whole

2

The level of religiosity of Ukrainians varies from region to region

4

Most Ukrainians demonstrate their "cultural Orthodoxy"
